**FORT BENNING, GEORGIA—1999
ARMY COMMUNITIES OF EXCELLENCE
COMMANDER-IN-CHIEF'S
AWARD**

HON. MAC COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 25, 1999

Mr. COLLINS. Mr. Speaker, it is with great pride that I rise today to recognize Fort Benning, GA, the "Home of the Infantry" and the Army's premier installation, for being recognized with the 1999 Army Communities of Excellence Commander-in-Chief's Award.

This is the fourth Commander in Chief's Award Fort Benning has received in the last five years. The annual award recognizes the best Army installation in the world. Fort Benning has also been awarded, for the seventh consecutive year, the Chief of Staff, Army Award which recognizes the best Army installation in the continental United States.

The ability and professionalism of the tens of thousands of soldiers and nearly 7,000 civilians who pass through Fort Benning's gate each and every year are responsible for this recognition. The awards are also indicative of the successful partnership that has been developed over the years between Fort Benning, Columbus, Georgia, and Phenix City, Alabama.

Major General Ernst, Commanding General, and his able staff continue to reinforce Fort Benning's longstanding commitment to military quality, focusing on the watchwords "first in training, first in readiness, and first in quality of life." As the home of the infantry, Fort Benning's mission is to produce the world's finest combat-ready infantry and to continue to be the Army's premier installation and home for soldiers, families, civilian employees, and military retirees. This mission is achieved with distinction on a daily basis by Fort Benning soldiers who constitute a cornerstone of our Nation's Armed Forces.

While the infantry remains the central focus of activity at Fort Benning, other specialized units have been added over the years, enhancing the ability of the installation to accomplish its mission. Fort Benning houses, among others, the 11th and 29th Infantry Regiments, the 36th Engineer Group, the Ranger Training Brigade and the 75th Ranger Regiment, the U.S. Army Marksmanship Unit, the Drill Sergeant School, the Henry Caro Non-Commissioned Officer Academy, and the U.S. Army School of the Americas. Each of these units work tirelessly to defend our national interests around the world and to serve our communities at home.

To the military and civilian personnel of Fort Benning, I offer my sincere thanks and congratulations for a job well done.

EXTENSIONS OF REMARKS

**MARCH IS NATIONAL SOCIAL
WORK MONTH**

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 25, 1999

Mr. TOWNS. Mr. Speaker, I want to remind my colleagues as we adjourn for the district work period that March is "Social Work Month". As a trained social worker, I know first-hand the significant contributions that have been made nationwide by this profession. Professional social workers, throughout this nation, can be found in the most amazing places including fortune 500 companies, departments of health, courts, mental health centers, managed care companies, schools, child welfare agencies, nursing homes, health care settings, employee assistance programs, and public and private agencies. Daily they are tasked with helping to alleviate society's most intractable problems, working one-on-one with troubled children and families, organizing communities for change and performing cutting-edge research and administering social programs.

The business of social work is helping people help themselves. One such entity that has made a point of emphasizing the importance of social workers in the health care delivery system is the Miami-Dade County health department. Social workers play an integral role in servicing Dade County residents in a variety of public health areas. The fact that the county administration has agreed to give special recognition to its social workers is a testament to their significant contributions to the health department. Let me congratulate all my fellow social workers and we honor them for their service during the month of March.

BEAN THERE, DONE THAT

HON. JAMES A. BARCIA

OF MICHIGAN

HON. DAVE CAMP

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 25, 1999

Mr. BARCIA. Mr. Speaker, we have all heard the famous story of Speaker Joe Cannon yelling "Thunderation!" when he went to the Member's Dining Room wanting a bowl of Michigan Navy Bean Soup, and not finding it on the menu. Ever since that day, this soup with its main ingredient, the Navy Bean, coming from most likely my congressional district, has been on the menu. But how many of you have heard the story of John A. McGill, Jr., the now-retired Executive Vice-President and Treasurer of the Michigan Bean Shippers Association having lunch with our former colleague, Bob Traxler, in the same dining room, and having to once again yell "Thunderation" when someone substituted impostor Great Northern Beans for the historic and acclaimed Navy Bean?

From 1969 until August 28, 1998, John McGill actively worked to promote the interests of the Michigan dry bean industry. Both ship-

pers and growers benefited from this gentleman's expertise, his savvy business sense, and his well-known resolve to fight for what he believes to be right. And our Navy Bean Soup remains secure.

His work on behalf of research both at the Saginaw Valley Bean and Beet Farm and Michigan State University has resulted in the development of new varieties that will be planted for years to come. John was a major player in making sure the Michigan's beans continue to appear on plates throughout the United Kingdom. He participated in many trade missions to Africa and other potential markets with the U.S. Department of Agriculture, and was a vital player in increasing our sales in Mexico. His development and continued publication of the Michigan Dry Bean Digest provides one of the most comprehensive documents available to the industry. And he will never be forgotten for his devotion and competitiveness in the annual MBSA golf tournament at the Association's summer meeting.

Mr. CAMP. Mr. Speaker, to John and his wife Donna, we offer our most sincere best wishes and friendship in return for years of their guidance, friendship, sense of humor, and support. John's leadership for Michigan dry beans and for all of agriculture in Michigan—spanning the decades—will not be forgotten soon. He has truly set an example for future leaders, and to colleagues and friends. Mr. Speaker, we urge you and all of our colleagues to join us in wishing this wonderful gentleman his happiest years ever. May his hunting sights be filled, his tee shots straight and long, and his duck carving tools sharp and true.

**HAPPY BIRTHDAY LUELLE
POWELL KOONCE**

HON. DONALD M. PAYNE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 25, 1999

Mr. PAYNE. Mr. Speaker, this weekend Mrs. Luella Powell Koonce will be joined by family and friends to celebrate her 90th birthday. Birthdays are perfect occasions for reflection. Mrs. Koonce's life has been fruitful and she has much of which to be proud. She has many names—Mother, Mom-in-Law, Granny, Aunt Tee, and Cousin Lou. She is the eldest living member of the Powell-Hutchins-Koonce families and has more than 100 living relatives.

As you can imagine, a woman with so many relations must have a busy life. She is known as a counselor, professional seamstress, good cook, baby sitter, family banker and hot line monitor for her church and neighborhood. Luella Koonce was born 90 years ago on a farm in Blakely, Georgia. She was one of the four children of James and Elizabeth Hutchins Powell. After the family moved to Dothan, Alabama, she met and married Early Koonce and they subsequently moved their family of three children to Newark, New Jersey and eventually to East Orange, New Jersey.

Family unity, independence and moral values have always been emphasized in her family and she has passed those and other cultural traditions down to her children and
